**Display location:**

The actual point at which the fireworks are to be fired must be in accordance with the rules promulgated by the NYS Commissioner of Labor pursuant to section 462 of the NYS Labor Law.

\_\_\_\_\_  
\_\_\_\_\_

**Display content:** \_\_\_\_\_

**How will fireworks be stored prior to display?** \_\_\_\_\_

**Rain date for display:** \_\_\_\_\_

**If it rained out how would fireworks be stored?** \_\_\_\_\_

**For outdoor displays,** attach a diagram of the area where the display will take place, showing location where the fireworks will be discharged from, the location of, and distance to all buildings, highways, lines of communications, location of the audience, trees, overhead obstructions or other structures or devices that could be affected by the display or fallout from it.

**Proof of insurance or bond** (minimum one million dollars)

Please attach a copy of the policy certificate or other proof of insurance or bond. Bond or insurance must be from the sponsor/applicant conditioned for the payment of all damages, which may be caused to a person, or persons, or to property, by reason of the display so permitted and arising from any action of the permittee, his/her/its agents, employees, contractors or subcontractors. Such bonds or insurance shall run to the Town of South Bristol and shall be for the use and benefit of any person, or persons, or any owner or owners of any property so injured or damaged.

**For indoor displays,** in addition to the information provided above, include a written plan for how you intend to use pyrotechnics as required by the New York State Penal Law 405.10. That plan shall include:

- In addition to the state licenses and certificates already included in this application, proof of federal ATF licenses if required,
- Proof of experience of the pyrotechnician in charge,
- Proof of experience with the types of devices being used and a description of duties of any authorized assistant,
- Point of assembly of the pyrotechnic devices,
- Manner and place of storage of the pyrotechnic materials and devices,
- Material safety data sheets (MSDS) for the pyrotechnic material to be used,
- Certification that set, scenery, and rigging materials are inherently flame-retardant or have been treated to achieve flame retardancy,
- Certification that all material worn by performers in the fallout area during the use of pyrotechnic effects are inherently flame-retardant or have been treated to achieve flame retardancy,
- Attach a diagram of the area where the display will take place, showing location where the fireworks will be discharged from, the location of, and distance to the audience, the location of sprinklers and the fallout radius for each pyrotechnic device used,
- A copy of the approved permit and plan shall be kept on site and available for review,
- Any significant changes to the plan shall be approved prior to the performance.

I attest that all the persons in actual charge of firing the fireworks shall be over the age of eighteen years, competent and physically fit for the task, that there shall be at least two such operators constantly on duty during the discharge and that there will be at least two (2) approved type fire extinguishers kept at as widely separated points as possible within the actual area of the display.

The undersigned sponsor/applicant hereby indemnifies and agrees to save the Town of South Bristol and all of the Town's officials, employees, agents, contractors and subcontractors harmless from and with respect to all liability, loss, damage, cost and expense, including, but not limited to, reasonable attorneys' fees and court costs, to the extent caused by any act or acts sought to be permitted by this application, and/or dangerous fireworks, as those terms are defined in the NYS Penal Law, as amended, regardless of the person or entity doing the displaying, setting up, storing, securing, transporting and/or cleaning, arising out of or with respect to any claims, suits or causes of action for damages for personal injury, loss of life, property damage, negligence, recklessness, damage due to pollution or other damage of any nature, sustained by an person or persons or entity or entities.

I attest that the information contained in this permit application is accurate, true and complete to the best of my knowledge, and I understand that false statements made in this permit application are subject to the applicable provisions of the NYS Penal Law.
