Letter from the Supervisor

Hello August and the (not so) lazy days of summer!

We're hosting a number of events here at Town Hall this August:

On **Saturday, August 8, at 1pm** we celebrate the [opening of the renovated playground](#) with a birthday party for South Bristol's founder, Gamaliel Wilder (6500 West Gannett Hill Road). Established in 1838, South Bristol is **188 years** young! Enjoy a cupcake (while they last). A special "Gamaliel Legacy" Storytime by South Bristol's Town Historian **Beth Thomas** marks the event.

On **Monday, August 10 at 6pm** Dan Lamb discusses **Data Centers and the Finger Lakes** at South Bristol's Town Board meeting. Dan Lamb, Deputy Supervisor of the Town of Dryden, is a senior lecturer at Cornell's Brooks School of Public Policy and a member of the steering committee for Tompkins County Climate Protection Initiative (TCCPI). The Town of Dryden is the first municipality in the state to ban data centers and crypto mining: [see why they did here.](#)

On **Wednesday, August 26 6pm**, we'll host our third in a three-part series on the **2028 closure of Ontario County's landfill, Talk with the Supervisor**. Come with your questions and share your thoughts! These community conversations are sponsored by South Bristol's Community Engagement Committee.

And around town, there's so much more:

This year's **August 12–13** peak of the **Perseid meteor shower** is especially favorable because the New Moon on August 12 will provide dark skies for up to 100 meteors per hour under ideal conditions.

Check out the trails at **Cumming Nature Center**, the ADA accessible **Jump Off point at Ontario County Park** at Gannett Hill, on-site tours at **Mees Observatory** (Fridays and Saturdays, reservations can be arranged [here](#)), boating or aerial adventures, sewing classes, panoramic views of the lake and hills at the **South Bristol Scenic Overlook**, and then top it off with music at various venues. Plus, don't forget all our seasonal options from beekeepers, fresh eggs, seasonal flowers and veggie gardens (or South Bristol CSAs).

Take a moment this Summer to enjoy **the most beautiful town in the Finger Lakes!**

With warmest regards,

Lisa
